BELIEVED THAT REBEL LEADER WOULD PROVOKE INTERVENTION BY THE U. S.

WASHINGTON, April 13.—This morning the state department issued a notice to the effect that they believe that General Orozco, the rebel leader, is attempting to provoke trouble in anticipation of forcing the United States government to intervene in the Mexican revolution. Dispatches received this morning from an authoritative source state that Orozco has been planning and studying schemes to affront America, thinking that in the event of intervention he will get a new lease of life, and may later become victorious over President Madero. Orozco realizes now that the hopes of the revolution being victorious is crumbling daily and it is said, prefers a conflict with United States troops rather than lead a forlorn hope against the federal government.

Many new outrages have been reported, and it is claimed by confidential dispatches that Orozco is responsible for all of these.

Yesterday afternoon bandits held up a train on the Mexican National railroad a few miles north of the City of Mexico, and fatally shot Conductor Kane, an American. After the conductor had been shot the bandits turned a fusillade of bullets on the passengers in the car and more than a score of persons were more or less wounded.

The rebels are on a rampage against all foreigners at Altar, state of Chihuahua, and especially are they bitter against the American residents. The rebels at this place last night threatened to execute L. D. Jones, an American. Communication with federal officers at the City of Chihuahua brought the intelligence that Jones may be assassinated today.

MONTEREY, Mexico, April 13.—It has just been ascertained here that General Orozco, the rebel leader, is rapidly dropping all his former commanders who enlisted under the Vasquez Gomez banner. It is

said that Generals Campa and Rojas have resigned their commissions in the rebel army and are both en route to the United States. They say they are through with any revolutionary movement from now on, claiming that the rebels consist mostly of bandits and murderers. Word has just been received this afternoon that the rebel bands in the state of Guanajuato have seized a few important towns, and are committing depredations and outrages hourly. All the foreigners in these small towns are preparing to flee at a moment's notice. A warning had been sent the Americans to flee several days ago, but transportation is at a standstill and there was no way for the citizens of the United States to escape.

EL PASO, Texas, April 13.—It has just been reported here by the Maderista representatives that advances from Mexico City state that General Huerta with eight thousand well equipped federal troops was

on the march toward the three cities held by the rebels.

A terrible fight is anticipated, as the rebels are well conditioned in Chihuahua, Parral and Jiminez.

It is claimed by the same dispatch that just as soon as General Huerta attacks and conquers one city he will advance upon another until the rebel strongholds have all been taken.

MEXICO CITY, Mex., April 13.—It has just been learned this afternoon that President Madero has issued an ultimatum or pronouncement forbidding any and all American from bringing in more arms into the country.

After the ultimatum became public the United Press representative had an interview with President Madero and at its conclusion, Madero added: "I consider that armed foreigners—Americans, Germans and English—are a menace to the welfare of the City of Mexico in particular and the nation in general."

PENNSYLVANIA PRIMARIES IN PROGRESS THIS AFTERNOON AND ALL PARTIES VERY BUSY

PHILADELPHIA, April 13.—The preferential primaries opened in this city at 2 o'clock this afternoon, with the lieutenants of the various candidates busily at work and using every effort to land their favorite in the winning class. In the city of Philadelphia twelve delegates are to be elected and of these the Roosevelt contingent claim at least half. In all there are sixty-four delegates to be elected, besides 12 delegates-at-large to be elected to the state convention which will be held in Pittsburgh on May 1. The Penroses declared that Colonel Roosevelt cannot possibly elect more than twelve delegates in the state of Pennsylvania. The Wilsonites are claiming a solid Pennsylvania delegation, but the Clarkites dis-

pute this claim and declare they will elect at least twenty-five delegates in the state.

PITTSBURG, April 13.—The Taft leaders admit they are now unable to solve the real depth of the Roosevelt sentiment, but they insist that William Howard Taft will have at least a small majority of the Pennsylvania delegates. The Flynn-Magee faction this morning issued a statement to the public predicting that Colonel Roosevelt was sure of seven of eight delegates from Western Pennsylvania. The Flynn-Magee faction are leaving no stone unturned in their efforts to carry this section of the state for Roosevelt. The Taftites are also working hard in an effort to land their delegates.

STRANGE MAN FORCED HIS WAY INTO WHITE HOUSE; HAD KNIVES IN HIS POCKET

WASHINGTON, D. C., April 13.—A strange man giving the name of Michael Winter was arrested at the White House this morning after he had twice forced his way into the private parlors of the executive mansion. When arrested it was found that the man had in his possession two large opened pocket-knives in his trouser pockets.

After being questioned by secret service detectives the man said his

name was Michael Winter and that he was a German subject. Upon being asked what he was doing in the White House he claimed that he wanted to have a private talk with President Taft, but refused to tell what he expected to talk to the president about.

The prisoner was later taken to the Washington asylum, where, after examination by expert physicians, he was pronounced a "harmless" insane person.

WHEN SENTENCED TO DEATH ASKED TO SING COON SONGS

SAN RAFAEL, Cal., April 13.—Judge Zook this morning sentenced Edward Delehantie to be hanged for the murder of William Kaufman. The execution will take place in the San Quentin penitentiary. Immediately after receiving his sentence Delehantie arose and asked the judge if he would permit him to sing a few coon songs. The prisoner will be taken to the Folsom prison in ten days.

ROOSEVELT BUSY MAKING SPEECHES IN NEW HAMPSHIRE

NASHUA, N. H., April 13.—All along the route Colonel Roosevelt has been enthusiastically welcomed, thousands of cheering people gathered at the railroad stations along the route. This morning the colonel made rear-platform addresses in the cities of Worcester, Clinton and Ayers. In Nashua he spoke three times from his automobile before the tremendous crowds would permit the machine to proceed.

DEMONSTRATION PLANNED BY THE SUFFRAGETTES

LONDON, April 13.—The suffragettes have planned for a big demonstration to take place tomorrow at Hyde Park against the methods employed by the officials of the Holloway prison. Much criticism has been heard of late regarding the way the prison is run and the cruelty displayed by the officials of that institution. Many of the women suffragettes who have recently been released from the Holloway prison declare the wardresses held women by tying them to chairs and forcing food into the stomachs of those who had but little appetite, by inserting tubes into the mouth and nostrils. The feeling here is bitter and it is feared an attack will be made on the prison in order to release the prisoners at that place.

STANFORD WINS IN BOAT RACE OVER UNIVERSITY CALIFORNIA

On the Oakland Estuary this morning Stanford proved herself superior to the University of California and the University of Washington, in all branches of rowing, taking all contests. This annual event comes in the morning of the same day upon which the field meet occurs, and within the last few years has become a favorite among athletic lovers of the colleges. The University of Washington each year sends down her varsity crew to compete in this event.

In the varsity meet, Stanford won by two lengths, Washington was second by five lengths, with California third. Time, 16 minutes and 43 seconds.

In the freshman meet, Stanford won again but with only a quarter of a length lead, this proving to be the most exciting event of the morning, and one in which the babies of both colleges did themselves proud. This year neither college run their four-oared race.

"PASSION PLAY" AT THE BUTLER MONDAY NEXT

At the Butler Monday afternoon and evening the management will show Pathe's latest version of the world's famous "Passion Play." This subject is clear and bright, being new and in the best condition. Special music and songs will be heard in this production and a special lecture will be heard. It is our intention to give as near an exact reproduction of the original Oberammergau play as possible. The highest point is reached in the art of life-motion photography. Those who see it will be interested and instructed. There is nothing in the production that can be considered sacrilegious, irrelevant or offensive to any Christian of any denomination. Every man, woman and child will not only enjoy it, but will be held spellbound at the sight of the fascinating and sublime life-size moving pictures. Every parent and Sunday school teacher should take advantage of this opportunity to vividly impress upon the children these scenes in Christ's life—impressions that never can be effaced while the lamp of life holds out to burn. In no other way, short of a personal visit to the village of Oberammergau, in Bavaria, at the time of this stupendous enactment, can so lasting a realization of the crucifixion of Christ be made. It fixes the mind upon its great subject—the Christ. Clearly and distinctly does it unfold the scenes and incidents of His life; portraying it so plainly, so beautifully, that the smallest child shall know and understand the beautiful, sublime and simple story "The Passion Play."

RENO, Nev., April 13.—A large crowd of democrats from all over the state of Nevada have arrived in this city to participate in the Jefferson Day love feast. Hon. Clay Tallman, of Rhyolite, is being urged to accept the nomination for congressman from this state. It is said here on good authority that Mr. Tallman will move to Tonopah about the first of May, and make that city his headquarters. Much interest is manifested in which town the democratic state convention will be held, among those contesting for the honor are: Fallon, Reno and Winnemucca.

Hon. "Bob" Douglas and Senator Dolf of Fallon and a score or more of boosters are in Reno whooping it up for Fallon. The Jeffersonian banquet will be held here tonight. Hon. Sam Belford will probably act as toastmaster. So far everything is harmonious in the democratic ranks.

During his address to the prisoners the judge denounced in bitter terms the county authorities for allowing boys to buy liquor.

Before sentencing the boys to life imprisonment the judge said: "If the county authorities had not been

LA FOLLETTE IN OREGON ON HIS NOMINATION TRIP

PENDLETON, Ore., April 13.—Amid the clanging of bells and blowing of whistles United States Senator Robert M. La Follette and wife arrived in this city this morning. As the senator stepped from the train he was given a great ovation, and cries for a speak were numerous, but the candidate for the republican nomination for president merely smile and bowed. This afternoon Mr. La Follette speaks at the Pendleton opera house, after which he will again board the train for Lagrange, Ore., where he is scheduled to speak this evening. The distinguished citizen looks to be in the best of health, but shows signs of the terrible battle he has been waging.

After the Portland program has been finished La Follette will then make a tour of western Oregon. ITALIAN FLAG PLANTED NEAR TUNISIAN FRONTIER

ROME, April 13.—General Canova, commander-in-chief of the Italian army of occupation in Tripoli, telegraphed today that the Italian flag was planted yesterday on Bou Chermex, near the Tunisian frontier. The occupation of this place is designed to prevent the passage of contraband over the frontier for the Turkish and Arab forces in the interior of Tripoli. Large forces of Italians are now stationed both at Bou Chermex and Zuara on the coast.

so lax in their duties you young men would not be at present in this predicament. I must also state that if it was not for the facts that you are all under age and that the authorities did not try to prohibit you from buying liquor, I would have sent each of you to the gallows. John Nelson, the fourth boy of the party, will be tried April 29.

Manager E. M. Luckett of the North Star and Rescue Eula, accompanied by his wife, returned to Tonopah this morning.
